**American Corners Mombasa Commemorates Women History Month with Presentation By Disabled Community Activist**

On March 23, to commemorate Women's History Month, PAS Nairobi hosted over 50 young women, including people living with disability, at a leadership forum at the American Corner in the predominately Muslim city of Mombasa, Kenya's second largest city. The director of a community based organization serving people with disabilities who also volunteers to teach basic computer skills at the American Corner encouraged the women to be proactive in improving their lives and the community at large. She also encouraged the young women to live their dreams.
